TOUCAN TOCO

Manage HR KPIs with a single App
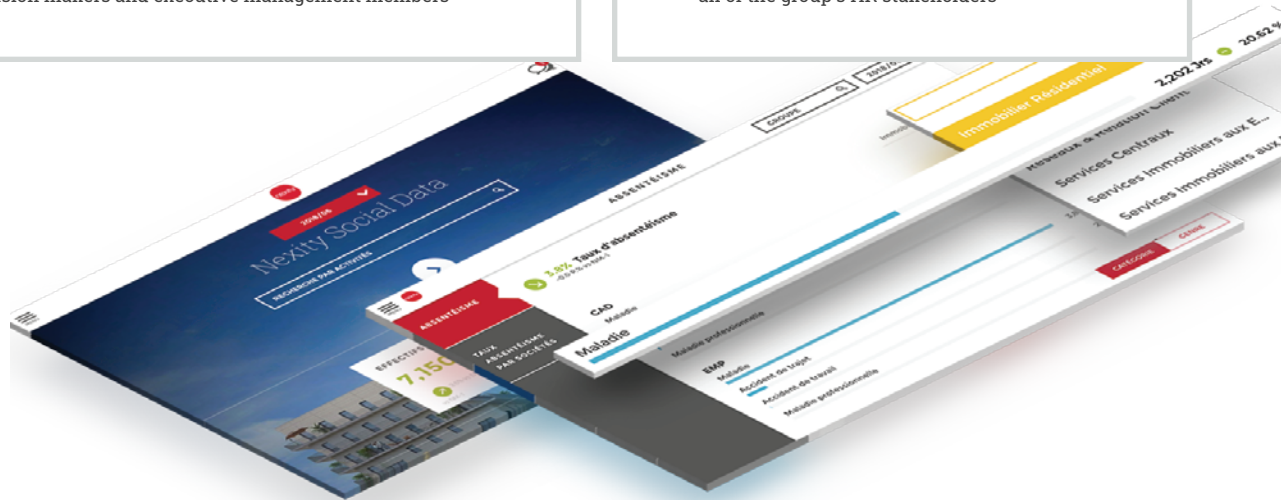

NEXITY SOCIAL DATA

OBJECTIVES

- Support the Digital Transformation of HR with digital Social Reports
- Target : Executive Committee & HR Department
- Industrialise internal data processes to increase the involvement of both HR decision makers and executive management members

KEY RESULTS

- From 3 weeks per month to 2 hours per month to create and distribute social reports
- A single point of truth now aligns all of the group's HR stakeholders

CHALLENGE   Improve the management of HR processes

SOLUTION   Deliver a single innovative app that aggregates HR KPIs that everyone can access anytime, anywhere

RESULTS   Enhanced quality of HR data analysis by both the board and the HR department

> " Toucan allowed us to discover the powerful side of reporting: with an open access to the easy-to-use platform, we're creating a sustainable data culture. "
