

WHY NAVIGATOR?

Navigator is the recognized expert in providing complete packaged SAP Cloud ERP solutions to small and mid-sized companies. Our proven approach provides customers the experienced leadership to leverage cloud solutions to support growth and change, while reliably controlling back-office costs and improving operating margins.

Navigator has a proven track record of on-time, on-budget, and fixed-price implementations – all of which have enabled Navigator to serve as a SAP Gold Partner for the last 10 years.

Navigator continues our service excellence, successfully implementing business systems for companies ranging from entrepreneurial start-ups to multi-national companies.

While your software requirements are unique to your business, Navigator has almost certainly seen similar needs before, and we have helped develop solutions to those business challenges.

Navigator is dedicated to providing small to mid-sized organizations the right solution.

CORE INDUSTRIES SERVED:

Life Sciences
Consumer Packaged Goods
Manufacturing
Distribution
Professional Services
Government contractors / DCAA

Navigator brings more than ten years of experience delivering solutions to improve the way companies work with flexibility and scalability to bolster the efficiency of the entire enterprise. By helping more than 500 clients better manage and grow their businesses, Navigator understands how to work with you to apply our proven expertise to deliver solutions for your business needs.

Navigator offers an entire suite of SAP-certified, integrated extensions to help better leverage your SAP system. These integrated extensions include credit card & shipping integration, EDI, eCommerce (Magento, eBay, Amazon, WooCommerce), point-of-sale, WMS, DCAA reporting, and configurator.

Leveraging our deep industry knowledge, Navigator is the worldwide leader in cloud-based SAP solution implementation for small and mid-sized business.

Navigator has helped more than 500 customers across North America improve their efficiency and international processes by implementing state-of-the-art business software, and does it on time and onbudget more than 98% of the time. With more than 20 sales & service locations across the United States and Canada, Navigator ensures that help is available where and when you need it.
