

# THE ROAD TO CMMS SUCCESS

More than ever, companies are embracing digitization and purchasing computerized maintenance management software (CMMS) solutions. We polled Fiix customers to learn more about the road they took to get to CMMS success.

Here's what they told us...

## The CMMS champions ▶

Who's working with maintenance management software?

## No matter what system they're coming from, people know what they want from their CMMS. ▶

What our customers were using before Fiix

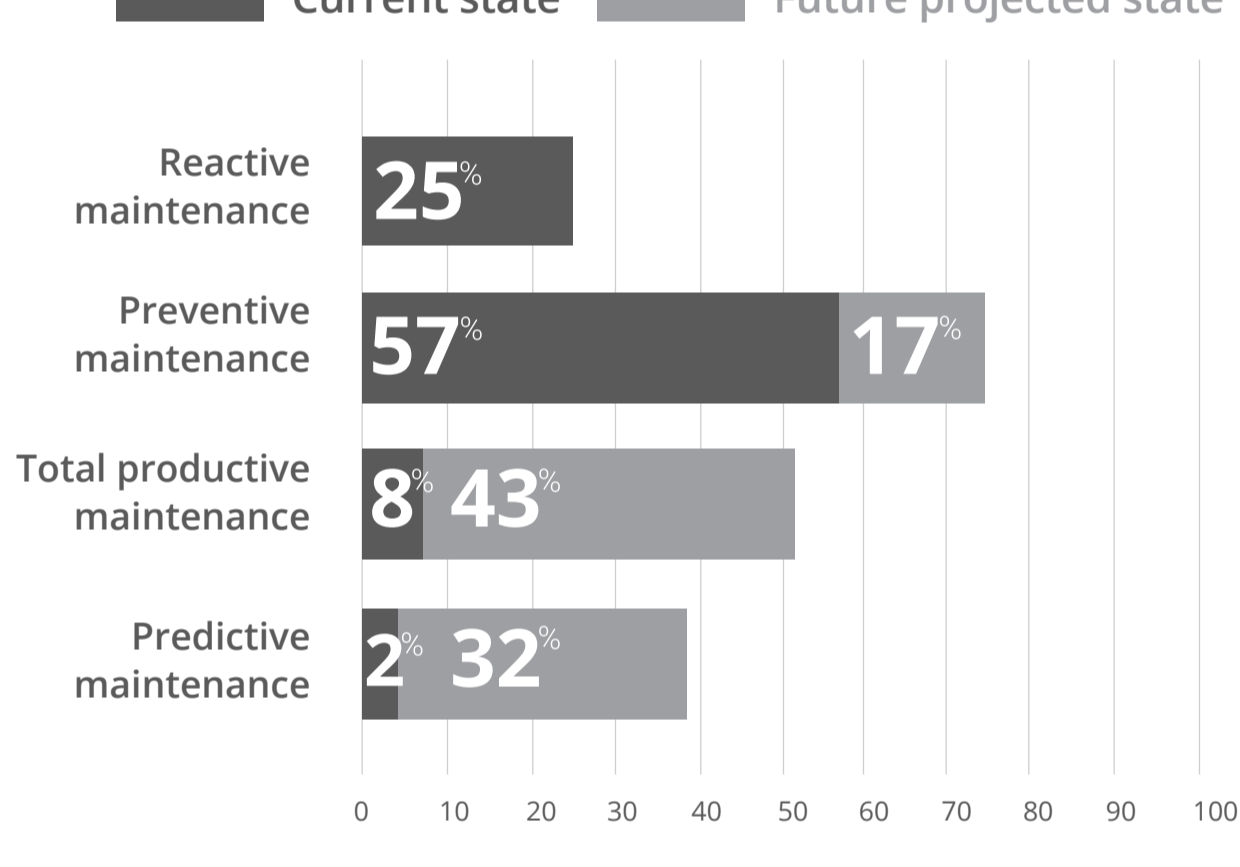

What our customers were looking for in a CMMS, rated from 1 to 5

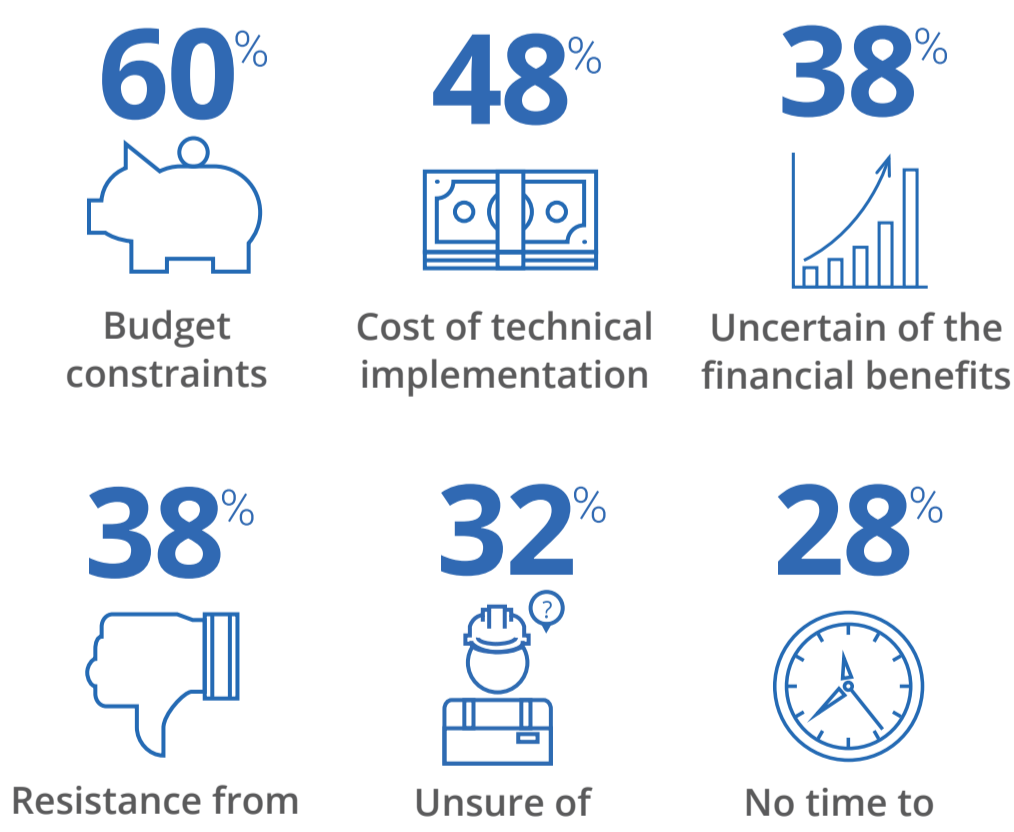

## A CMMS helps teams take on entirely new maintenance strategies. ▶

Current state vs. future projected state, as reported by Fiix customers

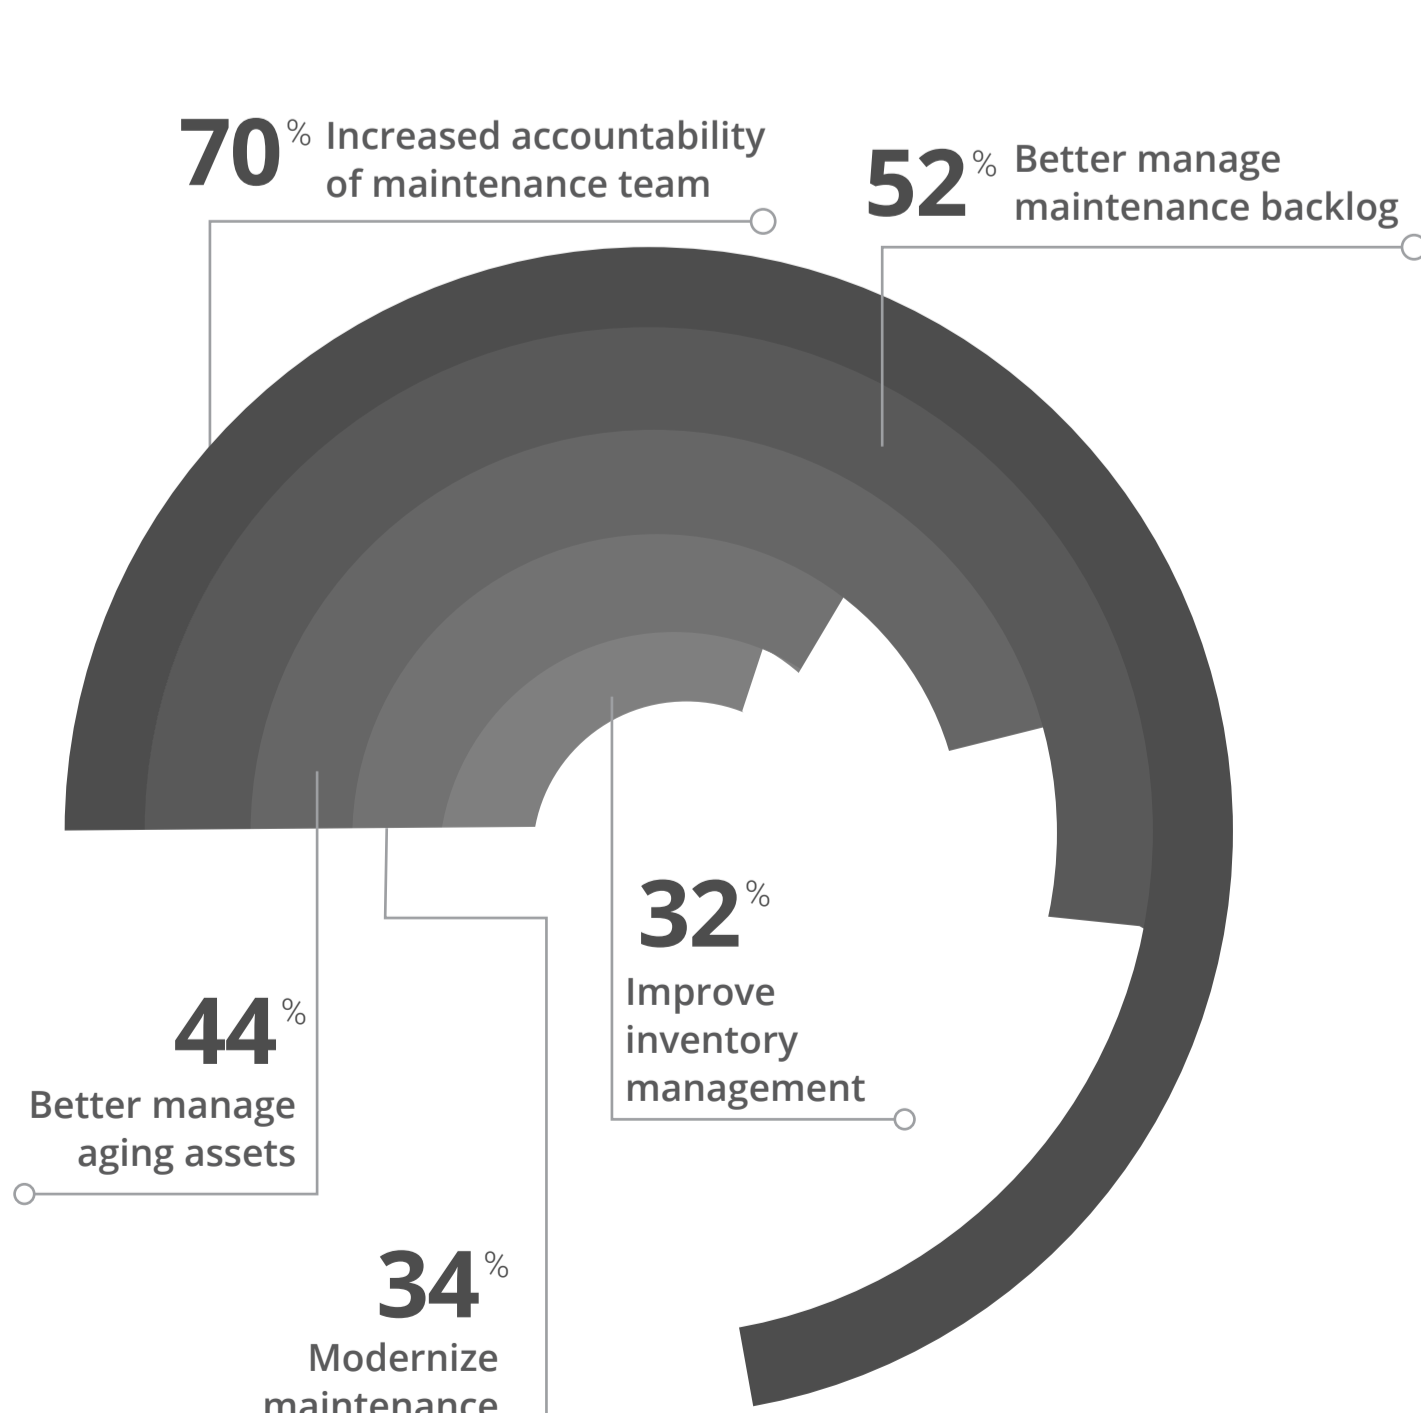

## Facing challenges with your CMMS evaluation decision? You're not alone. ▶

Challenges CMMS purchasers were facing during their decision-making process

## Ultimately, implementing a CMMS can yield huge payoffs. ▶

Benefits reported after purchasing a CMMS
