

# OPUS RCM INPATIENT BILLING SERVICES

## You Focus on Patients, We'll Get You Paid

Our team will improve how fast you get paid and increase the amount you get paid.

Do you feel your in-house medical billing processes could be better?  
Is it challenging to keep up with aging AR? Need more staff or more expertise for your complex medical billing?

### Inpatient Managed Billing Benefits

-  **Comprehensive Medical Billing Services**  
Complete revenue cycle specialists from patient payments to Insurance reimbursement.
-  **Real-Time Transparency**  
Up to the minute dashboards and reporting show medical billing performance at any time.
-  **Extension of Your Team**  
Our staff work as members of your practice to help patients and communicate with payers.
-  **Don't Back Down**  
Whether denials, appeals, underpayments, or recoupment, we diligently get you paid what you are owed.
-  **Optimal Performance**  
Impressive first pass claim adjudication and prompt remittance posting greatly reduce your payment cycle.
