CUSTOMERS RANK TRACKER HIGHER THAN BULLHORN

Customers from Tracker and Bullhorn have submitted their reviews and rankings through G2 Crowd Reports.

SO MUCH BETTER THAN BULLHORN.

Customer service is great! They are always very helpful and timely and even came out with a chat feature for immediate assistance.

The best thing about Tracker is how customizable it is. We are able to edit fields, lists, create reports, and see everything in real time which has improved the efficiency of our operations.
